TOMMY
HILFINGER

the concept design is to be simple
in very thin and very beautiful
and I like a lot of things
that are in an American style
that I can really use to work with
the Tommy Hilfinger brand

Fargo
(1996.)

Minnesota an infamous, *Fargo* is a great inspiration for
what we can use for the future of the brand and the
current police work of the state program *Maple*

the fashion in
the movie
is very inspiring

William H. Macy
Frances McDormand
Steve Buscemi

alles moet
faux fur zijn
voor Tommy
hilfinger!

I love this kind of
hat...maybe nice to get
one with a tommy
hilfinger logo on it
